## MAYOR SHANK RESIGNED OFFICE

Indianapolis Business Men  
Charge He is Friendly  
to Strikers

HE IS GIVEN CHOICE OF  
THREE WAYS OF QUITTING

Sec. of Labor Wilson and Gov.  
Ammons Would Settle Colo-  
rado Strike

INDIANAPOLIS, Nov. 28.—Mayor Shank of this city resigned today as the result of a difference of opinion on handling the recent street car strike, and another strike is now threatened by the teamsters. The mayor has been criticised for not acting more vigorously against the strikers. The strike of the teamsters and chauffeurs is ordered to begin Monday.

Shank's resignation followed the charges of the business men that Shank was too friendly to the strikers. They gave him the choice of resigning, averting the walkout or impeachment.

City Comptroller Harry Wallace now becomes acting mayor and he has promised to use the police energetically to keep order and protect strike-breakers.

U. S. SECRETARY WILSON AND  
AMMONS WANT ARBITRATION  
DENVER, Nov. 28.—Arbitration was proposed today in a joint letter by Secretary of Labor Wilson and Governor Ammons, to the striking coal miners and to the mine operators of Southern Colorado.

It is suggested that each side select three men, these six to select a seventh. It is also suggested also that the miners resume work pending a settlement. Both factions took the matter under advisement.

## MORE NEW ZEALAND BUTTER ARRIVES

30,000-Pound Shipment Ex-  
pected to Cut Butter Quota-  
tions in Los Angeles

The arrival of a new shipment of 30,000 pounds (30,000 pounds) of New Zealand butter in the local market yesterday is expected to have the effect of bringing down the present quotation, perhaps several cents per pound, says the Los Angeles Examiner. At present the California creamery extra butter is being sold at wholesale at 39 cents, the jobbers quotation being 35 cents. This is an advance of 3 cents per pound since the Los Angeles market was stocked with the New Zealand creamery product some weeks ago. The reason ascribed by the butter men is a scarcity of good grade butter in the Southern California market.

It is declared that the New Zealand butter, being of good quality, and well preserved while in transit, is sold by many retail dealers for fresh local creamery butter. The imported butter, it is said, can be laid down in Los Angeles at a cost of less than 31 cents and retailed at 35 cents.

## NEW MACHINE GUN OF COL- ISAAC LEWIS SUCCESSFUL

LONDON, Nov. 28.—The new machine gun invented by Lieutenant-Colonel Isaac N. Lewis of the coast artillery, U. S. A., was demonstrated at the Blisley rifle range today in the presence of members of the British army council and representatives of various foreign states. The gun was shown to be efficient when fired at or from aeroplanes, and fires 500 shots a minute.

## \$145,000,000 BUDGET IS SOUGHT BY NAVY FOR '14

WASHINGTON, Nov. 28.—Estimates Secretary Daniels has sent to the house appropriation committee ask congress to vote \$145,000,000 for the naval establishment in the next fiscal year. The estimate is \$50,000 below that of last year, and yet proposes the building of two battleships at \$15,000,000 each, eight torpedo boat destroyers and three submarines. Many of the details of the estimates are along the lines of the last naval appropriation bill. A one-battleship program was successful last season.

## RAILWAY SYSTEM PAUSES FIVE MINUTES FOR DEAD PRESIDENT

WASHINGTON, Nov. 28.—Every activity over the 3000 miles of the Southern Railway system will be suspended for five minutes at 10 o'clock today while the body of President W. W. Finley is carried into St. John's church for funeral services.

## 41,000 Seats Sold for Navy And Army Game

NEW YORK, Nov. 28.—The Navy football team engaged in signal practice this morning on the roof of the Vanderbilt Hotel. The most brilliant crowd in football history is expected to witness the Army and Navy game tomorrow. Forty-one thousand seats have been sold, the seats bringing \$25,000 up to today. One block of four sold for \$150. President Wilson will watch the game from the Army grandstand during the first half, and from the Navy grandstand in the second half.

The Navy is a ten to nine favorite in the betting. Every dignitary in Washington, all the cabinet, congress, and practically all the diplomats are expected to attend.

## RAISED \$2000 FOR SPANISH MISSION

Rev. Gonzales and Aids of This  
City Joined in Campaign of  
Anaheim Churches

Rev. A. C. Gonzales, pastor of the Spanish church of this city, and some of his best workers went to Anaheim yesterday to attend a union Thanksgiving service of all the churches of that place. They went for the purpose of assisting Rev. V. M. McCombs, superintendent of Spanish mission work of the Methodist denomination, to raise funds for a church building for the Spanish people of Anaheim.

The money-raising campaign was successful, \$2000 being pledged. Work will soon begin on the new building. Much rejoicing is felt by those working for the project, and they appreciate the generosity of the Anaheim church congregations.

## CITY TAXES GO DELINQUENT AT 6 O'CLOCK MONDAY NEXT

Santa Ana city taxes will go delinquent next Monday evening at 6 o'clock, Dec. 1.

There is a lot of money still to come in. City Tax Collector Jernigan and City Assessor Vegely say there is a lot of money still to come in, and there is every indication that

## KNABE MURDER IS NOW BEING PROBED

Dr. Craig, Head of Veterinary  
College in Indiana, on Trial  
for Murder

VICTIM WAS BEAUTIFUL  
AND BRILLIANT WOMAN

Weird Tales Advanced by Craig  
in Defense—Suicide is One  
of Theories

SHELBYVILLE, Ind., Nov. 28.—The trial of Dr. William B. Craig, head of the Indiana Veterinary College, charged with murdering Dr. Helen Knabe, a prominent woman physician of Indianapolis, former state pathologist, began today. It is expected the jury will be completed on Monday. The case was brought here by a change of venue from Indianapolis.

Dr. Knabe, an Austrian by birth, came to America at the age of twenty years. She had been here fifteen years when killed. She was much interested in physical culture and attracted much attention by the perfection of her figure. She was found dead in her apartments two years ago with her throat cut.

The prosecution maintains that Dr. Craig was engaged to her; that the engagement was broken just before the murder, and that in less than an hour later Craig was seen in the vicinity of her apartments.

Several weird tales have been advanced of the probable defense of Dr. Craig. It is reported that he will try to show evidence that the woman was financially embarrassed and committed suicide, and that her friends removed all evidences of suicide before notifying the police.

## Case Will Be Bitterly Fought

The Knabe murder case promises to be the most weird and bitterly fought in the criminal history of Indiana. Dr. Craig at liberty on \$15,000 bonds and Ragsdale, indicted as an accomplice, is out under \$10,000 security. Dr. Craig, who took a change of venue to Shelbyville because of prejudice which he said existed in the Indianapolis courts, will be tried first.

## LARSEN SENTENCED TO HANG FOR WIFE MURDER

LOS ANGELES, Nov. 28.—Louis Larsen, the wife murderer, was sentenced today by Judge Craig to hang at San Quentin. The date was not set. Larsen was found guilty of killing his wife, whom he beat to death with a beer bottle in a lonely spot in the Verdugo hills near here. The evidence was largely circumstantial.

## VILLA PREPARES TO MAKE

INVASION OF THE SOUTH  
EL PASO, Nov. 28.—Gen. Villa today reviewed his troops today in celebration of the Tierra Blanca victory. He is preparing for his departure southward, expecting to leave early next week with seven thousand men, collecting five thousand more before attacking Chihuahua.

## LUMBER FREIGHT RATES TO GO UP ON THIS COAST

TACOMA, Nov. 28.—That there will be an advance of 50 cents to 75 cents a thousand feet for transporting lumber from ports in the Pacific Northwest to California within the next two or four weeks is a prediction made by leading shippers of the product. If the surmise proves true the rate then will be from \$3.50 to \$3.75 for carrying lumber to San Francisco and \$4 to \$4.25 a thousand feet to San Pedro and other points in Southern California. Weather conditions which have prevailed along the coast the last two weeks or more, it is said, will be responsible in a large measure for the increase.

## CLASSY BULL DOG SHOW

ALBANY, N. Y., Nov. 28.—With high-bred dogs of many kinds entered from many sections of the East and Middle West, the annual Albany Dog Show opened here today. Among the prominent judges of the classes they will judge are W. E. Patterson, Alreades, Edward Oubert, pointers, setters and cocker spaniels; Robert Sedgwick, Jr., Scottish West Highland, White and Welsh terriers; Mrs. William T. Drew, bulldogs, and Chas. Hopkin doing the all-around work.

## CITY TAXES GO DELINQUENT AT 6 O'CLOCK MONDAY NEXT

Monday will be a big day in the office. A larger proportion of the taxpayers than usual seem to have neglected to pay or are intentionally waiting until the last day.

City taxes are payable all at once. There is no first and second installment arrangement as with state and county taxes.

## FINEST CELERY IN INDUSTRY HISTORY

G. W. Moore Says Quality of  
Product is Unusually  
Excellent

ASSOCIATION WILL  
BE SHIPPING SOON

Outlook for Prices Encourag-  
ing—November Weather  
is Good

Orange County never had finer celery than it has in its lowlands fields this year, and with the excellent quality of the product comes reports that encourage the growers to expect good prices.

Some shipments have been made by the California Vegetable Union. The Orange County Celery Growers' Association has not yet begun shipping and will not until about December 6. Prices right now are 175 to 25 cents per dozen bunches, which is a good opening price. The eastern crop is reported very light, and the upper California crop as heavy and of good quality.

"Our celery is in fine condition," said George W. Moore of Westminster, president of the Celery Growers' Association, today. "November has been an ideal month for celery growing. Celery wants dampness during November. I never saw a celery crop make better progress during November than this year's crop."

There are about 1400 acres in this county devoted to celery growing this year, about the same acreage as last year. It takes about three acres of land to produce two carloads of celery.

## AGAINST PROPERTY QUALIFICATION FOR VOTING ON BONDS

The Santa Ana Realty Board has had under consideration and discussion an initiative measure providing that only taxpayers shall vote on any bonded indebtedness that may be proposed. The board adopted a resolution disapproving the measure, which is thus outlined:

"Proposition to amend Article II of the Constitution of the State of California by the addition of a new section to said Article, to be designated and numbered as Section seven (7) of said Article, relating to the right of suffrage in respect to the incurring of any bonded indebtedness of this state or of any county, city and municipality, or other political subdivision of this state.

"The People of the State of California do enact as follows:

"A new section is hereby added to Article II of the Constitution of the State of California, to be numbered Section 7, and to read as follows:

Sec. 7. No elector shall have the right to vote on any question of incurring any bonded indebtedness of this state or of any county, city and municipality, or other political subdivision of this state, unless he shall be the owner of property liable to be taxed for the payment of such indebtedness and assessed to him on the last assessment roll."

The matter came for the attention of the Realty Board through an address in favor of the proposition by Francis Cutting of Stockton, which was submitted to the Board, together with petitions for circulation for signatures, by the State Realty Federation.

Attorney Morris Cain, a member of the Board, has prepared an able address in reply to Mr. Cutting's address, but both of these addresses are too long for publication.

## GOT A BARGAIN IN

A HOME THROUGH A  
LITTLE REGISTER AD.

To the Register:—It is only fair to you that we testify as to the efficiency of the advertising columns of your paper. On Tuesday evening, Nov. 25, we inserted the following ad: "For Sale—A bargain. Attractive four-room bungalow; china closet, roomy cellar; lot 50x150. Price \$1400, one third down. This is a snap. Maury & Adams, 506 North Main street." On Wednesday morning we had a call from Mrs. M. E. Wright of Tustin, and we took her down to see the property, situated at 1402 East Pine street, and at 11 o'clock we had made the sale.

The above was directly traceable to your ad.

## RAPINE, FAMINE AND DISEASE PREVAIL IN THE CITY OF MEXICO

Federal Defeats at Jaurez Weaken Loy-  
alty In Capital—Huerta Threatens  
Army Officers

MEXICO CITY, Nov. 28.—Government troops are today making frantic efforts to rescue the wife of a prominent federal officer caught by the Zapatista rebels south of here. A message has been sent saying: "We are heaping indignities on her. Come and get her."

General Gamboa, commanding a detachment of federals today engaged a band of guerrillas one hundred miles south of the capital. They reported Gamboa is fatally wounded and many of his men killed.

It has been announced that American cotton will be admitted free of duty so that the cotton mills can be kept running. The supply is cut off from the Mexican cotton districts near Torreon where the rebels are in control. The shortage of food and fuel is becoming alarming. The slender food supply on hand is commanding fabulous prices. Only the rich can have fires and the poor are subsisting on one scant meal daily. Actual famine seems imminent. Fifty cases of typhoid fever were reported yesterday. There are probably many more that have not been reported.

Many small battles are reported from varying places with honors about even although the rebels seem increasing the zone under their control by a general and systematic campaign in the outlying states.

Gen. Huerta today, it is reported, told his officers they would be executed unless the army being organized to dispute Gen. Villa's expected advance, fulfills its mission. The news of the federal defeats at Jaurez are gradually becoming public. There is much dissatisfaction and grumbling.

## SANTA ANA IN MOVIES IS CHAMPION

Local Scenes and People on  
Screen at the Grand  
Tonight

At the Florence Seidel benefit performance at the Grand Opera House tonight and tomorrow night will be seen many Santa Ana buildings, people and scenes, thrown on the screen for the first time.

This reel of local scenes will be presented by Mrs. Seidel's manager to the Santa Ana Chamber of Commerce for future use in advertising Santa Ana.

Of course there will be other scenes a fine bill of pictures, including Mrs. Seidel's thrilling flights and falls and rescues by hydro-aeroplane.

## INFLAMMABLE FILMS FOR MOVIES TO BE TABOOED

PARIS, Nov. 28.—Prefect of Police Hennion today notified all motion picture manufacturers, dealers and theater managers, that within a short time he will permit no more inflammable films, such as are now in universal use, to be manufactured or exhibited.

His circular states that experiments conducted before him have proved that fire-proof films can now be made and are perfectly practical. The time limit will be fixed as soon as it can be found out what delay manufacturers need in order that no hardships may result.

## REDLANDS SENDS TWO CARS ORANGES EAST

REDLANDS, Nov. 28.—Two cars of oranges left Redlands Wednesday night for the east. Saturday several cars will be shipped, and, beginning next week, shipments will go out daily, soon reaching twenty cars a day perhaps thirty cars daily by December 10, when the last of the Christmas fruit will leave.

The Mutual Orange Company shipped 200 boxes to the Los Angeles market yesterday, the first of the new crop to go there. Good prices were received.

## ORANGE COUNTY OUGHT TO SEND A BIG DELEGATION

A statewide conference for Progressives is to be held at the Palace Hotel in San Francisco on Saturday, Dec. 6, at 3 p. m. This will be preceded by a meeting of the State Central Committee on Friday.

All Progressives are invited to attend, and the Register has been asked to extend and publish the invitation and ask all those who expect to attend to notify this paper.

The following letter on the subject is self-explanatory:

State Progressive Headquarters of California,  
1049 Monadnock Building,  
San Francisco, Nov. 24, 1913.

Hon. J. P. Baumgartner,  
Santa Ana, Cal.

Dear Sir:—A conference of the Progressive men and women of California will be held at the Palace Hotel in San Francisco, on Saturday, December 6, at 3 p. m. for the purpose of electing organization of the Progressive party in this state.

It is urgent that a statewide representation be in attendance and I am directed to ask your aid and co-operation in having present a strong delegation from your county. We trust

## SHIPS WILL SAIL FOR COAST

Three Battleships to be in  
Mexican Waters by  
December 1

## VARIOUS REPORTS FROM WASHINGTON

Intimated that Carranza Inva-  
sion May be the Ex-  
planation

WASHINGTON, Nov. 28.—The Navy Department has announced that the battleships Connecticut, Kansas and Ocho, comprising the fourth division of the Atlantic fleet, will be off the east Mexican coast by December 21. They are now in the Mediterranean, but have been ordered to sail homeward before next Monday.

There is no change in the Mexican situation, according to the department, the new ships going to Vera Cruz merely to relieve the Louisiana, Michigan and New Hampshire. Unofficial Washington, however, remembers a similar statement when the present ships were sent to the Mexican coast.

Mexican rebels still predict that Genera. Carranza will be in Mexico City by January 1. A high state department official today said he believes the same thing. This is the reason for strengthening the naval force, according to report.

The battleship New Hampshire sailed from Vera Cruz to Tuxpam last night, according to a wireless received here. The message said all is quiet.

## MANY GUESSES AND ESTIMATES

While Building and Loan May  
Run Up, Armory Looks  
Better

There have been numerous amounts quoted on the streets as the probable amount that will develop as the state building and loan examination of which N. A. Uim was the judge last week, was secretary. Some rumor mixed with estimates made by persons in touch with the situation have the figures running all the way from \$20,000 to \$50,000. Probably some figure between the two will prove to be the correct amount of money gone from the association's funds, together with amounts received by Uim on bogus stock certificates.

F. W. Mansur, custodian of the books, has only one statement to make concerning the amount, and that statement is to the effect that he has no estimates to give out and only a detailed examination of the books will show what the shortage is. The detailed examination will not commence before the middle of next week. It is expected that on Monday the state building and loan commissioner will be given authority to proceed to close up the business. Two or three days will then elapse before proper authorization is received by Mansur or some other person to proceed as special deputy.

F. L. Worden, the new secretary of Santa Ana Armory Hall, and a committee of that corporation, of which Uim was secretary, are spending each evening on the books. They began back at the beginning. They have compared fifteen subscribers' accounts with the receipts held by those subscribers, and find that the books check out correctly with the subscribers. Today Worden ascertained that the company's note at the First National had the interest paid to Nov. 13, 1913. While the note has not been reduced, practically all of the expenditures shown by checks returned through the bank recently were for legitimate purposes.

Attorney Clyde Bishop and others representing the Santa Ana Book Store, in which Uim owned practically all of the stock, are today working out a plan for running the book store upon a plan that will ultimately work out to the interests of the creditors of that corporation.

## ANNOUNCEMENT

—Dr. J. W. Shaul will be in his Los Angeles office forenoon: Santa Ana office, 2 to 5 p. m., and by appointment.

Judgment in A. U. W. Co. Suit Over Oil Rights is Explained

In Wednesday's Register there was a statement in regard to the settlement of the suit of the Anaheim Union Water Co. against Caroline R. Pittman, in which it was said that the plaintiff is declared the owner of the fee but defendants entitled to the oil in the land in controversy.

But Schilling's Best is chosen for you by expert tasters; and whenever their choice doesn't please you, someone else pays the bill.

said E. E. Keech, attorney for the water company, "for, by the terms of the judgment, the plaintiffs were not only given the fee in the tract of 7.7 acres in controversy, but they were allowed to sink one oil well upon it, and the defendants were obliged to keep as far away from the boundary on the outside as the plaintiffs' well was from the boundary on the inside, not to exceed 150 feet."

"This action attracted widespread attention at the time it was brought because of the large number of stockholders in the water company interested in the result and the novelty and importance of the questions raised. The answer of the defendants claimed that the water company did not own the fee in the land because it had condemned only an easement for reservoir purposes, and that the right to the oil had remained in Mrs. Pittman, the former owner."

### ROBBERY OF SUIT CASES AT THE HOLINESS TENT

There was a slight excitement Thursday morning in the Holiness tent, where special meetings are being held, when some of the workers found that their suit cases in the tent where they had been placed had been rifled. The suit cases were found outside of the tent and examination showed that they had been ransacked, and money taken from their pocket-books.

### MAY CUT PRICE 75 CENTS TON

Reported Factories Contemplate Paying Less for Sugar Beets

Oceanside Blade: A reduction of seventy-five cents a ton is said to be contemplated by the factories who are contracting for sugar beets for the coming season, and as a result it is expected that the acreage planted to that crop will be greatly decreased the coming year, in this locality as well as in Orange, Los Angeles and Ventura counties. Some of the land will go into alfalfa, a large portion will go into grain, some into beans and that portion that is too strong in alkali for anything but beets will probably lie idle until better prices make it an object to continue the work of reclaiming it. Representatives of the sugar beet factories are looking over the situation in this locality this week with a view to concluding arrangements for as large an acreage as they can get.

### AN EVER-YOUTHFUL CHARM ABOUT THE CHOCOLATE SOLDIER

Nothing could better have suited the mood of a holiday eve audience than the sparkling gaiety and delightful music of "The Chocolate Soldier," which appeared at the Grand Wednesday night. There is an ever-youthful charm about this famous opera that never fails to appeal, and the tuneful melody of "My Hero" never wanes in popularity.

There were several favorites of former seasons in Wednesday night's cast, and at the head of the list, of course, is Charles Purcell. There is a slender, youthful elegance about this captivating Lieutenant Bumeril, and a fascinating care-free gaiety that is positively rejuvenating. Mr. Purcell seems so thoroughly amused with himself, his lines, his fellow-actors and, we half suspect, with his audience, that the fun is infectious, and his ingratiating smile has a good deal the same effect as the apologetic air of a very youthful puppy who has just been caught tearing to tatters the linen on Monday's clothesline.

Lucille Saunders as Aurelia Popoff was another favorite among the familiar faces, as was Sylvian Dangleio, who is a perfect joy as the gay old Colonel Casimir Popoff. Francis Boyle is the same old Massackoff, whose eyes and mustaches perform such startling antics.

Alma Stetler sang Nadina and sang it with much grace and charm. Her voice is of a most delightful quality, and in solo, duet or chorus made itself pleasantly known. Lottie Collins was a spirited and youthful Moscha, whose voice also added much to the enjoyment of her hearers.

The staging and costuming was excellent throughout, and the whole performance most delightfully satisfactory.

### FACTS AND FICTION

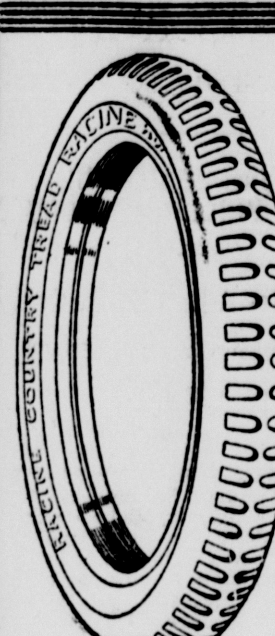

Experiences of Santa Ana Citizens Are Easily Proven to be Facts

The most superficial investigation will prove that the following statement from a resident of Santa Ana is true. Read it and compare evidence from Santa Ana people with testimony of strangers living so far away you cannot investigate the facts of the case. Many more citizens of Santa Ana endorse Doan's Kidney Pills.

I had that complaint for a long time and the kidney secretions bothered me. The kidney secretions pained in passage and I had to void them during the night. Whenever I use Doan's Kidney Pills my back gets stronger and the trouble with the kidney secretions is corrected. I am thankful for the relief they have given me."

### SOCIETY AND CLUBS

**Visited the Lecks**  
Mr. and Mrs. Wm. Bainbridge, formerly residents of Tustin, now of Covina, came down for the Thanksgiving holidays to visit Mr. and Mrs. Leck. They were accompanied by Miss Loraine Bainbridge and Mrs. Farris. Mr. and Mrs. Elmer Crawford were also of the party entertained at Thanksgiving dinner by Mr. and Mrs. Leck. The party went together in the afternoon to visit Mr. and Mrs. Ira Leck and to see their pretty new home.

**Delightful Musical Recital**  
Too much cannot be said about the instructive and entertaining evening spent Wednesday night by those of the Tustin people who attended the recital given by Mr. C. A. Gustlin and Miss Birdenia Henry, under the auspices of the Parent-Teacher Association.

About all the seats were filled and the audience was appreciative and enthusiastic. A good many boys and girls were there and the attention was fine. All were delighted to be able to catch the definite meanings, scenes, feelings and ideas which can be expressed in music. Mothers and fathers, too, felt that this artistic interpretation of the lives and works of the greatest composers, classical and modern, cannot be otherwise than strong and direct educational factors. Of course Miss Henry's short biographical and anecdotal sketches of composer and analysis of the composition doubled the pleasure of listening to Mr. Gustlin's artistic performance. Each single number was a picture in itself, and the audience was glad of the opportunity to become more familiar with them. The Hunting Song, The Spinning Song, Soldiers' March, The Wild Horseman, Elfin Dance, The Butterfly, The Rustle of Spring, were all too short as far as the young people were concerned, as well as the older ones. In the "Funeral March of a Marionette," some of the little ones rose to their feet when the doll fell down and broke its head.

When the program was finished Mr. Gustlin played several additional pieces by special request. He then explained to the audience his purpose in giving these recitals, and read the programs which have been arranged for two recitals which are to follow in the near future.

A part of the proceeds is to be devoted to the purchase of music supplies for the school under whose auspices the concert is given, thus contributing to the spread and improvement of musical education.

**Bible Class and Mission Study**  
The Women's Berean Bible Class will hold its regular business meeting next Wednesday afternoon at the Presbyterian church. The business session will be short.

has always been well attended. The ladies are preparing for an attractive display of articles appropriate for Christmas presents and will endeavor to make the evening worth while to those who attend.

### Dinner Party

The home of Mr. and Mrs. C. O. Artz was the scene of a large family gathering and dinner party on Thanksgiving Day. All the relatives came who were close enough to reach them, and the occasion was a very pleasant family reunion. The visitors were Mr. and Mrs. C. G. Reid of Venice, and sons Charles and George; Mr. and Mrs. G. L. Wilbur and daughters, Aline and Jennifer; Mrs. J. L. Wilbur, Sr., Misses Maud and Gwendoline Artz of Santa Ana, Mrs. Irene Johnson from Nebraska, Mr. and Mrs. J. A. Purdyne of Los Angeles, W. B. and De Witt Artz.

### Pushmobile Races

The pushmobile race waked Tustin up Thursday morning with a rush, and made things lively around the corner of Main and D street, as each new arrival was greeted and cheered. The street looked quite like a city thoroughfare for about an hour. A contribution of about \$6 was quickly raised.

### Pollard-Nelson

After the Thanksgiving services Thursday, Rev. Blew arrived home at the Presbyterian manse just in time to meet a young couple there and perform a marriage ceremony. Walter J. Pollard and Miss Viola Nelson thus surprised all their friends, as it seems that no one surmised their intentions. Nevertheless, they have the hearty good wishes of all for future happiness and success.

### Ebel-Donham

The marriage of Miss Bertha Donham to Henry L. Ebel occurred Thursday, at 2:30 in the afternoon at the home of the bride's parents. It was a quiet home wedding with only the immediate families and friends present.

The ring ceremony was performed by a brother-in-law of the groom, Rev. H. C. Lang of Terminal Island. The bride is the youngest daughter of Mr. and Mrs. T. J. Donham and the groom a well-known young rancher, who is a son of Mr. and Mrs. Louis Ebel. Mr. Ebel has five acres or more of Tustin's good soil, where the young couple will at once proceed to build up a home. They have the good wishes of many friends and acquaintances.

### Literature Section

The Tustin Literature Section will meet next Tuesday afternoon with Miss White at the home of Mrs. C. E. Utt.

### Coreopsis Club

The Coreopsis Club will meet next Wednesday afternoon with Mrs. John King, of the San Joaquin ranch.

### Trip to Orange County Park

A party composed of Mr. and Mrs. Frank Logan, Miss Mabel Logan, Chas. Logan, Mr. and Mrs. E. J. Cranston, Mr. and Mrs. Fred Currier, Miss Johnson, Mr. and Mrs. Earl Marshall went in automobiles for a picnic in Orange County Park on Thanksgiving Day. Mr. and Mrs. B. H. Sharpless and family, and Mr. and Mrs. Chas. Eells and family also enjoyed a trip to Orange County Park on Thursday.

### "Christmas Suggestions"

The above was the topic for consideration at the Household Economics Section, which met at the home of Mrs. E. J. Cranston last Monday afternoon. Mrs. Cranston and Mrs. Cood Adams were hostesses.

These ladies have taken time by the forelock and before Thanksgiving is over many ideas for Christmas are locally arranged in their minds and no doubt will be carried out later. The table on which the luncheon was served, consisting of plum pudding with whipped cream, and coffee, had for a centerpiece a Christmas tree and holly decorations. Cute little bags of Christmas candy were hidden away in the holly, a tiny bit of red ribbon sticking out with which to draw them from their hiding places.

Some of the ladies brought gifts formerly received, for examination, and all kinds of Christmas suggestions were exchanged.

Those present besides the two hostesses were Mesdames Lohly, Preble, Sharpless, Romer, Bowman, Johnson and her guest, Mrs. Fisher, and Miss Childs.

home of Rev. and Mrs. E. W. Blew last Friday night for the purpose of having a pleasant social time. The large dining room held them all and as the time was drawing near to bring to mind the subject of Thanksgiving, the host and hostess gave everyone paper and pencil and they were told to write about whatever they were the most thankful for. After a struggle with the problem for a time, during which the usual bubbling over of youthful spirits yielded a whole lot of fun for the young people, the papers were gathered together for the judges to decide which was the best, and Miss Grace Hatfield won the prize.

The contest over, all adjourned to the parlor, where a bright fire glowed in the grate and the boys and girls engaged in telling dreams. A most wonderful one was told by Mr. Blew. Many of those present figured in the dream and the happenings were all twenty years hence. It was a prophetic dream of what those very young people would be doing in twenty years from now. It is needless to say that they were interested.

Corn popped over the glowing coals and apples to match was the next thing on the program and brought to a close another one of these enjoyable Christian Endeavor socials.

### A Jolly Time

All the young people who attended the party given by Lloyd Heaton last Friday night unite in saying they had a jolly time. The host brought a good many friends out from Santa Ana in automobiles and several boys and girls from Tustin were present. He was assisted by his mother in making the evening an enjoyable one. The house was decorated with beautiful roses.

Many games were played. The New England Marriage play was cleverly arranged and carried out to a finish by Mrs. Heaton, and helped to make fun for the young people.

A generous supper was served which brought the merry party to a close.

### TUSTIN PERSONALS

The friends of Mrs. W. L. Shatto will be glad to learn that she is somewhat improved in health.

Mrs. C. L. Campbell and two sons, Robert and Allen, spent Thanksgiving Day with her father and mother, Mr. and Mrs. J. W. McCullough.

Among the Tustin people who went to Los Angeles last Saturday to hear Madame Schuman-Heineck were Mr. and Mrs. N. S. Long, Mr. and Mrs. F. B. Browning and son Felton, and Misses Mildred and Wilhelmina Bennett.

Miss Ethel Doherty is spending Thanksgiving with her mother and sister in Los Angeles. Her mother, Mrs. S. A. Doherty, will soon leave for her home in Nogales, Ariz.

Mr. and Mrs. Felton Matthews returned Wednesday from their wedding trip, having visited San Diego and other places of interest.

Mr. and Mrs. Tom Cook went to Los Angeles Wednesday evening to spend Thanksgiving.

Mr. and Mrs. Gus Eggert spent the week-end with their mother and father, Mrs. and Mrs. L. A. Cook.

John Kiser has purchased the Vandermuhlen place on Third street, and the Brookbank family will occupy the house vacated by Mr. Kiser.

W. L. Weiss is hauling lumber to build a new home on Newport Road. John Dryer has purchased a new team of horses and is erecting a substantial new barn on his place.

Mr. and Mrs. Geo. Prather and little daughter, Alice, have just returned from San Bernardino, where they went to attend the meeting of Odd Fellows and Rebekahs.

Last Tuesday Rev. and Mrs. E. W. Blew and Messrs. E. J. Cranston and A. E. Bennett took an automobile trip to Monrovia, visiting Mrs. A. E. Bennett there and attending the evangelistic conference at Immanuel Presbyterian church in Los Angeles in the afternoon, and back home the same evening.

Mrs. C. Williams of Shermantville, who has been ill with tonsillitis, is rapidly recovering.

Rev. E. W. Blew will attend the Ministers' Week lectures at the state agricultural school this week, at Davis, Cal.

## There Is Only One Proper Way to Buy Clothes

Clothes can be purchased in any of three ways.  
Which of these three do you think is the best way?

### HERE IS OUR WAY

1. Go to a merchant tailor and have your clothes designed to your personal measurements. No delays—you are absolutely assured in getting a suit or garment that will fit you and be comfortable and improve your appearance as well. You have selection from several hundred styles of fabrics. Every seam, buttonhole, pocket, lapel is hand-sewed and made strong and durable especially for you.

### You May Have Tried This Way

2. Go to a tradesman who is not a merchant tailor but who is only an agent and takes your order for suit or garment. He sends your measurements away and your clothes are manufactured in the same manner as ready-made clothes.

### A Very Common Way

3. Go to a clothing dealer. He has clothes piled high on his tables which are all factory-made by wholesale and consequently were not made for anyone in particular. After being worn once or twice you discover the garment does not fit. Then, too, the dealer is limited in his investment by having to provide for all stock sizes and therefore cannot carry a large variety of cloth patterns.

## HERE IS THE ANSWER

Order a merchant-tailored garment (the first way). You get fit and perfect satisfaction. The garment wears twice as well as the other two kinds and therefore proves more economical. As an illustration of this, come into our shop and we will convince you that a MERCHANT-TAILORED SUIT IS WHAT YOU SHOULD WEAR.

## PROGRESSIVEISM IS MAKING PROGRESS

The word from Iowa that the Progressives of that state have effected an aggressive organization and made plans to put a complete ticket in the field next year was good news to California Progressives, who had been led to believe that Senator Cummins' dominance would make it impossible to develop a Progressive movement of any strength in that state.

At a well attended conference in Des Moines last week an emphatic disregard was shown for Senator Cummins and his attempts to bring about "amalgamation."

The conference resolved in particular as follows:

"That we reaffirm our loyalty to Progressive principles as expressed in our national and state platforms, our satisfaction in belonging to a party which believes the same principles throughout the nation, and which in every state stands against amalgamation or compromise with either of the old parties or their irreconcilable differences of political faith."

"That we affirm our satisfaction with the permanency of the Progressive movement as shown in recent elections and in the desire of other parties to be thought progressive."

O. B. Anglesworth was chosen organizer and Progressive clubs will be formed throughout Iowa.

In Illinois the old line Republicans realize that destruction stares them in the face, and they are making desperate efforts to head off the Progressive movement. Deeney and Lorimer are trying to fortify themselves with a patronage machine of seven thousand offices in Chicago. Former Congressman McKinley, traction millionaire, is adding to his string of interior newspapers. Former Speaker Joseph G. Cannon is preparing to run for congress again and neither money or effort is being spared.

## THE CITRUS FRUIT INDUSTRY

Department of Service to Citrus Fruit Growers, Conducted Especially for the Register.

Copyrighted by Reginald Brinsmead.

### THE VALENCIA (SPAIN) OUTPUT

Valencia, Spain, is the largest producer of oranges for export in Europe, growing some of the finest fruit to be found in the world's markets. Methods of packing and marketing are there well established and organized and the movement recently there inaugurated aiming at economy in packing and distributing the output is of interest to the industry in this state.

The Valencia district ships 90 per cent of the Spanish orange crop, exports for the 1911-12 season being 5,140,000 cases, equivalent to over eleven million California boxes; the orange district is embraced in an area some 150 miles long and from 20 to 200 miles wide. Orchard values there run from \$700 to \$1000 per acre for bearing groves, prices in some cases, however, running considerably higher for the most desirable properties.

At a meeting held in Valencia on October 4 last, in connection with economy in packing and distributing the output it was decided to eliminate the use of stamped or printed silk paper wraps after December 31 of this year. In packing the Valencia oranges a great deal of money has been spent in printing orange wraps and in the use of fancy wrapping papers, this cost running from \$2.25 for plain black stamping or printing to \$12.50 for printing in gold and two colors per bale, containing from 120,000 to 150,000 individual wraps, the average cost being estimated at \$7 per bale. The paper itself costs from \$13.15 to \$16.20 per bale f. o. b. factory, according to grade used, and the consumption of "silk" paper for orange wraps in the Valencia district was estimated last season to have amounted to \$435,000, of which

over \$140,000 was spent in printing or stamping.

Provided it is found possible to actually eliminate this printing or stamping it will be interesting to note what effect it will have upon such markets as Holland and Belgium where gold and fancy stamping is called for. While in other markets this fruit is frequently repacked for re-export to still further markets, and the absence of any mark on the wrap it is claimed may cause trouble by doing away with such guarantees as have been provided by the marks or brands on the printed wraps.

The orange crop from Valencia is shipped by water, with the exception of the equivalent of from 1000 to 1500 California carloads which are shipped into France by rail loose in carload lots.

In addition to the efforts being made to stop all unnecessary packing expenses it is important to note that the same movement is endeavoring to improve the methods of distribution. Water freight from Spain is cheap; the duty on oranges into this country has been greatly reduced; the Valencia producers are well organized. It would seem as if this fruit could become a strong competitor in the Atlantic seaboard, for although Valencia does not ship a native orange, the fruit that she does ship is of excellent quality.

The elimination of stamped or printed wraps on this fruit if once established is at variance with the experience of the California packers, where, while fancy wraps, prints, tissues, etc., have become a memory of the past, the marks or brands on the wraps have become in many cases valuable assets, and in some cases a basis for very extensive advertising campaigns.

**Pushmobile Race a Success**  
The pushmobile race was called at 9 o'clock sharp. The line-up was formed and the cars shot out for Tustin a minute apart, the first car out leaving at 9 o'clock sharp. No one was fouled heating and the race was successful throughout.

Winners: No. 1, Ford, driven by Lee Palmer, mechanic, Arthur Perkins; time, 22 minutes, first prize, No. 12, a Metz, second prize, making Tustin in 26 minutes.

No. 14, third place, time 26 1/2 minutes.

Cornish Roebins managed this race efficiently and deserves credit for making it a success. Lawrence Roebins was the starter and he also deserves credit for getting the cars out as he did.

No. 7 and 17 had a collision with trees near A street in Tustin on First. Both cars were damaged considerably. The drivers were not hurt but it gave them a severe jolt.

The next race is going to be some time during Christmas vacation. Cash prizes will be awarded.

**\$675 FOR CORDRAY LETTER**  
NEW YORK, Nov. 28.—A letter Charlotte Cordray wrote to her father, July 9, 1793, the day she left home to go to Paris to assassinate Marat, has been sold for \$675 to Mr. William Patten, when it came in the disposal of the William J. Latta collection of Napoleonic art at the Anderson Art Galleries. In this letter she leads her father to think that she has fled from France, and it shows the courage and lofty spirit which controlled the young woman even on the scaffold. The first sentence reads: "I give you my obedience, my dear father, yet I leave without your permission."

## FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by Mutter's Drug Store under an absolute guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine. It is this that is sold on the money-back guarantee. —Advertisement.

## AMUSEMENTS

In the past seven years Henry Miller has appeared continuously and in that long period he has played but four roles. But these four roles form a gallery of contrasting types and because of the actor-manager's success in them, he has played nearly three seasons each in two of them and two seasons in the others. The characters created by the notable actor range from the serious role of "Stephen Ghent" in "The Great Divide," to the appealing "Neil Summer" in "The Rainbow." "Stephen Ghent" is a man of the crude West, vital, with life and hiding beneath the rough exterior of a prospector, the heart of a man. "Neil Summer" is a man of worldly polish, a bit cynical from loneliness, a seeker for amusement among the fast set, a man of sentiment. Both the rough miner of "The Great Divide" and the polished man of the world in "The Rainbow" are redeemed by love, the first by a wife, the second by the love of a winsome daughter. Mr. Miller will be seen in his newest role, that of "Neil Summer" in "The Rainbow" at the Grand Opera House on December 2. Many believe it the best part he has played in recent years. This city will welcome back a player who is close to the hearts of local playgoers. His many seasons of producing in the West, during which time he gave playgoers glimpses of great things of the past and new plays which were afterwards to become New York successes, have endeared him to those who love the theater and have made Mr. Miller almost a native son. The forenoon matinee of "The Rainbow" credit it with being a delightful comedy, with its scenes laid, first in New York, later on Long Island and finally in an Italian villa. The cast which surrounded the star during the long run of the play in New York is promised for the engagement here. The sale of seats began at the box office this morning.

The management of Clune's Santa Ana Theater is extremely fortunate in being able to book such a strong, picturesque as Paul Periera and his celebrated string sextet. Mr. Periera was formerly court violinist to the King of Portugal. He is not only a soloist of great ability, but the combination which he heads furnishes a grade of music seldom heard on the vaudeville stage. Possessed of a marvelous technique and being gifted with the temperament and understanding of the true artist, he gives to all of his work the exquisite and satisfying rendition which makes it so acceptable to all. It is, however, in the ensemble that not only his work but that of his associates is most apparent.

Every action, every phrase, and every tempo is taken as one person and he has an interpretation new, individual and at times even startling. It is seldom if ever that the popular spring song of Mendelssohn is heard with such daintiness and lightness that the very breath of spring is apparent. For music lovers this act will be the best ever shown in Santa Ana. This act will open at Clune's Santa Ana Theater, Dec. 1.

### ARMLESS MAN SAVES SWIMMER

CHICAGO, Nov. 29.—Stanley Martin, an armless man, today saved Henry Carlson from drowning. Carlson's canoe overturned in Lake Michigan a quarter of a mile from shore. He swam to the breakwater but was too exhausted to lift himself to the top. No one but Martin was in sight.

The armless man hooked one leg over the piling and extended the other to Carlson's assistance. Carlson held on until he had regained enough strength to drag himself up.

Wedding Anniversary

The home of Mr. and Mrs. Merritt

W. Crandall, 407 E. Pine street, was

the scene of a very pleasant little

celebration on Thanksgiving day, both

in honor of the national holiday and

of the wedding anniversary of Mr. and

Mrs. Crandall.

The rooms were bright with

Dutchess roses and spicy carnations,

and the host and hostess with their

guests, Prof. and Mrs. Albert W.

Shaw and Miss M. E. Goodman, a

friend of "way back East," enjoyed

together a bountiful New England

dinner. The time slipped away all

too quickly with reminiscences and

memories of other friends and other

days.

Mr. and Mrs. Crandall were the

recipients of many post cards, letters

and various tokens of esteem and

loving remembrance, both from their

Eastern friends and from those resid-

ing here. They have lived in South-

ern California for some years, and

all their friends unite in wishing most

heartily that they may reach together

many more such happy milestones

along the way.

AT THE COURT HOUSE

## COURT ACTION FOLLOWS HIS GOING AWAY

Foreclosure Suit Brought by Man Holding McKinsey Mortgages

When Edward M. McKinsey suddenly departed from Santa Ana a few weeks ago he left behind him two or three forged notes, a good many debts and nothing in the way of assets but his home, which was mortgaged for no small proportion of its value. The forged notes have already brought notice at the courthouse, and today the mortgages got into the courts. F. J. Gardner is the plaintiff and McKinsey and his wife, who left with him, and W. Frank Harris, who has filed an attachment on the mortgaged property, are defendants. On May 26 the property, which lies on East Washington avenue, was mortgaged for \$1500 to C. L. Benson, who transferred the note to Gardner. At the same time R. C. McMillan, who built the house, took a note of \$450 as part pay, with a second mortgage. Both mortgages are now owned by Gardner. It looks as though the property will be sold under execution, and if it bring more than the two mortgages, plus interest, costs and attorney's fees, Harris will get back some

of the \$400 that he stood as the result of the forging by McKinsey of a note. The name forged by McKinsey was that of Mrs. Mary J. Neill.

L. M. Hartwick and Keech & Davis are attorneys for the plaintiff, F. J. Gardner.

### Divorce Matters

Suit for divorce was begun today by Michael C. Drury against Florence J. Drury. Melrose & Ames of Anaheim are attorneys for the plaintiff. With Clyde Bishop as attorney, H. N. Hayes has brought suit for divorce against Lulu M. Hayes.

A final decree of divorce was signed today in favor of George L. Smith against Mamie E. Smith. Keech & Davis represent the plaintiff.

### Judgment Entered

Foreclosure judgment was given today by Judge Thomas in favor of W. H. Jones and against James Houghton, formerly of garden Grove.

### Sent to Prison

L. W. Dunn, on Wednesday found guilty of stealing \$60 from Frank Yount, was today sentenced to eight months in San Quentin.

"You are sentencing an innocent man," he protested when Judge West named the term.

Dunn came from Sawtelle, and was at work in a grading camp for the Irvine Company at Corona Del Mar. Yount occupied the same tent with him. The stolen purse was found on Dunn, who declared it was his purse.

### Marriage License

John M. Hafner, 21, and Hazel E. Hoenshel, 16, both of Santa Ana; Walter J. Pollard, 22, of Tustin, and Viola M. Nelson, 21, of Santa Ana; Carey Val Billingsley, 24, and Hazel Juanita Morrison, 23, both of Orange; George M. Prindle, 21, and Frances M. Matthew, 19, both of Huntington Beach; Henry Louis Ebel, 22, and Bertha E. Donham, 17, both of Tustin; Richard Pritchard, 28, and Cora E. Sterry, 40, both of Fullerton.

Be sure to get plenty of sleep. You can sleep yourself into good looks. A long nap and a hot bath will make any woman more attractive, and lift years from her shoulders.

## POPULAR YOUNG COUPLE ARE WEDDED

Miss Hazel Morrison Became the Bride of Carey Billingsley

[By Staff Correspondent]

ORANGE, Nov. 28.—A brilliant home wedding took place last evening at the J. W. Morrison home on South Cypress street, when Miss Hazel Morrison became the bride of Mr. Carey Billingsley, son of Mr. and Mrs. Ray Billingsley, of Villa Park. The ceremony was performed at 7:30 by Rev. W. A. Jackson, pastor of the First Presbyterian church. About sixty guests were present.

Preceding the ceremony Miss Hester Billingsley sang "Because" and "Oh Promise Me," and then played Mendelssohn's wedding march which accompanied the ceremony. Six ribbon bearers, the Misses Vida and Alta Morrison, Tolita Morrison, Mrs. Edward Abbott, Miss Leta Wells and Mrs. Owen Burry, marched ahead of the bride party. The groom accompanied by the minister next took their stations and were followed by the bride on the arm of her father, who gave her away.

The bride and groom faced the minister beneath an arch and a green wedding veil. Back of them was a mass of palms, ferns, ranunculus and white chrysanthemums. They stood on a rare antique Oriental rug, a Ker-manshah, a gift from the groom's father. The bride was attired in pale blue champagne, draped with silk crepe chiffon and shadow lace. The double ring service was used.

The rooms were handsomely decorated in pink roses and plumosis fern and following the ceremony a dainty two-course luncheon was served.

The bride and groom later departed on their wedding trip, destination unknown, amid a shower of rice.

The popularity of the young couple was manifested in a lavish display of wedding gifts, made up of gold and silver, cut glass, china and linen. They will make their home in Los Angeles.

## EQUIP COLLEGE MAN TO MAKE A LIVING

Western Reserve University Has Real Estate Department in Curriculum

CLEVELAND, O., Nov. 28.—"The idea now is to turn a college man out at his graduation equipped to make a living," said Dean Mathews, secretary of Western Reserve University, when interviewed today by a United Press correspondent in reference to the new "real estate" department of the college—the first university offering instruction in the real estate business to its students. Not only will the theory of real estate selling—the old story of unearned increment which accrues to the land holder and other bookish angles of the business—be taught, but practical real estate dealers will tell the students how to land a prospective into a vacant lot and paint a picture to him of the prospective palatial dwellings that are to surround it—and secure the first installment. Alexander R. Taylor, twice presi-

dent of the National Real Estate Dealers' Association, will be one of the leading instructors. "The latest trend of college education is to train students to become economically self-sustaining, and that is one reason why we are offering this course," said Dean Mathews. "The establishment of schools of journalism in nearly all the universities and colleges is one instance of it. The idea now is to turn a college man out at his graduation equipped to make a living. There is money in the real estate business; it serves a public need and college men going into it would help both the real estate business and the college man, too."

## CORNERSTONE DECEMBER 10

Masons to Have Charge of Ceremonies for New Library

HUNTINGTON BEACH, Nov. 28.—The cornerstone of the new Carnegie library building will be laid here under the auspices of the local Masonic lodge on December 10. An officer of the state grand lodge will be present.

At the annual meeting of the Board of Trade Tuesday evening officers for the coming year were elected as follows: H. T. Sundbye, president; Arthur E. Paine, first, and Ed Manning, second, vice president; Louis Paul Hart, secretary; H. B. Little, treasurer, and A. W. Griffith, H. L. Heffner, C. H. Howard, W. T. Newland, J. H. Eader, R. M. Dickinson and W. E. Tarbox, directors.

## BOOTH'S HYOMEL

Has Benefited Thousands of Catarrh Sufferers—Will Do the Same for You or Money Back

The Hyomel treatment that has effectively benefited many thousands of sufferers from catarrh, bronchitis, husky voice, coughs and colds in the head is easy and pleasant to use. Just pour a few drops in the inhaler and breathe it in—no stomach dosing. The healing, soothing and antiseptic air will reach every nook and crevice of the mucous membrane of the nose and throat; will surely stop the irritation almost immediately; will allay the inflammation, drive out the foul odor; kill the germs and banish the disease.

If you suffer from raising of mucus, frequent sneezing, discharge from the nose, droppings in the throat, crusts in the nose, watery eyes, or any other symptoms of catarrh—use Hyomel. A complete Hyomel outfit, including inhaler and bottle of liquid, costs only \$1.00, and an extra bottle of liquid, if afterwards needed, is but 50 cents. Howley Drug Co. will return your money if not benefited.—Advertisement.

## 55 ADDITIONS TO CHRISTIAN CHURCH

Great Rally Next Sunday Will Be Participated in by All Departments

Rev. Bruce Brown's subject tonight at the First Christian church is "The Great Conflict Between Romanism, Protestantism and Infidelity." It will pay you to hear this sermon. Brown has something to say worth listening to on all of his subjects.

This church will hold a great rally on next Lord's day. Every department will be fully represented.

The meetings have wonderfully blessed the church and it looks forward to a very great year during the coming year. There have been fifty-five additions to the church so far and no doubt there will be a large number during the remainder of the services.

Baptismal services just before the regular services tonight.

## ATHLETIC CLUB SMEARED THE SOLDIERS

Local Pick-Up Team With Two Forward Passes Scored 13 to 0

The Santa Ana Athletic Club walked over the Company F football team from Los Angeles yesterday with a score of 13 to 0.

In the Santa Ana team was a bunch of old gridiron favorites mixed with a few of the second team players from the Santa Ana high school. Lloyd

Davies, coach of the second team and manager of the athletic club team, played with the Athletics, and made many a yard by heady running. Santa Ana could have no complaint on any of its backs. Walters, Collins, Reeves, Perkins, McLain, West and two or three others who were put into position to carry the ball kept up spectacular running.

Royce Lantz with a pretty forward pass sent to him by Walters made the first touchdown. The second was made by Bert West on a pass clear across the field. West had hidden out on the sidelines, and had the ball and was away for a touchdown before the soldiers knew what was up.

The Athletics outclassed the visitors in every point. The tackling by the Santa Ana linemen and ends was good to see.

Neither team had any teamwork to speak of, but that meant more open field stuff, and that always looks good.

## GREGORY MAY BE CANDIDATE

Fullerton Man is Talked of as Postmaster Possibility

FULLERTON, Nov. 28.—Fullerton is different from nearly all of the other cities of Southern California. It has no active candidate for postmaster to succeed Postmaster Edwards. A number of leading Democrats have requested R. S. Gregory, a lifetime Democrat, to take the office. Gregory has not asked for the endorsement of the central committee or of anyone, but it is understood that he will take the office if he gets the Democratic endorsement at the time Edwards retires from office.

Gregory was a field deputy under County Assessor Sleeper for a year.

## AVIATOR AND HIS PARENTS IN AIRSHIP TO LONG BEACH

Mr. and Mrs. C. Y. Martin Delighted With Their Aeroplane Ride

World's Altitude Record Made Wednesday Stands as Official

Glenn Martin

Wednesday with Frank A. Garbutt as passenger Glenn Martin smashed the world's record for altitude for an airship carrying one passenger.

Yesterday afternoon a novel trip was accomplished. Mr. and Mrs. C. Y. Martin, the aviator's parents, were passengers in a journey by atmosphere from Santa Ana to Long Beach. Martin's arrival Wednesday afternoon brought out a crowd of people. It was with difficulty that the aviator and Garbutt kept people from writing their names on the aeroplane.

The barograph indicated that an altitude between 9700 and 10,000 feet was reached in the trip from Griffith Park to Santa Ana. Garbutt took the instruments back to Los Angeles with him on a Wednesday afternoon car. to be officially inspected in Los Angeles. The record stands as official.

Yesterday afternoon at 2:30 o'clock Martin tuned up his aeroplane. The machine is his new passenger-carrying biplane, made along entirely different lines from the biplanes that Martin has made familiar to all Santa Anans. The machine has a long body like a monoplane, with propeller in front. Sitting in his seat, the driver can crank the machine.

The driver occupies a rear seat. The controls are the same as in the biplanes formerly used by Martin in which he sat in front of the engine. A wheel is used to control the rudder, and a movable apparatus into which the driver fits his shoulders maintains lateral control.

Yesterday morning Martin proposed to his father and mother that they ride with him to Long Beach, and they consented. About fifteen months ago Mrs. Martin rode with her son in his hydro-aeroplane at Balboa, but she has never been up since that time.

Mr. and Mrs. Martin do not have any notion that their son has a charmed life, but they have faith in his skill and judgment, and when it comes to flying those are the essentials. Glenn's assertions as to what he could do with his flying machines have always been carried out in performances, and watching him more closely than others, the parents had no hesitation about going into the air with him.

The machine lifted from the field south of the poly high, made a circle to the south for altitude, and went over the field with all three occupants waving to the people below.

The trip to Long Beach was made in twenty minutes at an altitude of between 1000 and 1300 feet. The family went first to Huntington Beach, then followed the beach line to Long Beach, landing in front of the Hotel Virginia.

Both Mr. and Mrs. Martin were delighted. The trip was so much better than the one in the hydro, that Mrs. Martin almost felt as though the sensation was something entirely new to her. The speed of the machine was what seemed to impress the elder male Martin. He says that he used to think that Glenn's driving of an automobile gave a sensation of speed, but the aeroplane moved far faster than any of the automobiles they saw far down below them.

## UPLIFTING ALL- DAY OF PRAYER

Immanuel Church People Met in Thanksgiving Service Wednesday

(Communicated.) Wednesday of this week found some faithful Christians gathered at Immanuel Baptist church of this city for an all-day meeting of prayer and instruction called by Pastor Thomas.

The day was all that could be desired, and every one seemed happy and in a receptive mood. Speakers had been invited from other towns and the first to delight us was Rev. W. H. Galbraith of Orange, who gave us one of the finest and most inspiring addresses, with "The Living God" as the theme for reverential thought. It was uplifting and helpful, and was emphatically the keynote of the day's meeting. This was followed by a season of prayer, after which we were permitted to listen to and profit by one of Rev. H. C. Waddell's incomparable presentations of the subject so dear to his heart and so manifest in his life, "The Prayer Life."

His stated theme was "Prayer in the Life and Teachings of the Apostle Paul," and with Scripture passages and suggestive instruction he did open up to us a mine of good things. How we wished that all Christians in Santa Ana might have been present.

The intense and joyous morning session closed with another season of prayer, and then came the basket lunch in the church for those from away, with warm drink kindly prepared at the parsonage.

The afternoon session began with a song service, in which such songs as "Solid Rock" and "My Jesus, I Love Thee" found a place. Pervent prayer followed, and those holding a similar meeting at the same time in Oakland were not forgotten in the petitions.

And now came dear Dr. Junkin with a message of real spiritual power, touching our personal relation to God, as children, not sons, as having another significance, but the closer relationship of children. And now we were reminded that our Lord has many avenues through which He is working for the bringing of the world to a knowledge of salvation, for Pastor Thomas was called away for a half hour to speak of work among the Mono Indians to a company of Christian women in a neighboring church.

The meeting at Immanuel continued with another season of prayer, and then Rev. Waddell taught us again. This time his theme was "A Twentieth Century View of Family Prayer," based on Acts 2:39. The address was a strong and convincing plea for the restoration of the family altar. Space will not permit me to minutely report much that he said but he counseled us how to meet and overcome the hindrances to family worship, which we have to meet in these days of rush, and how to adjust ourselves to present-day needs, touching this all-important duty and privilege of maintaining family worship.

Did I say I wish you had heard the address of the morning? Well, this even more.

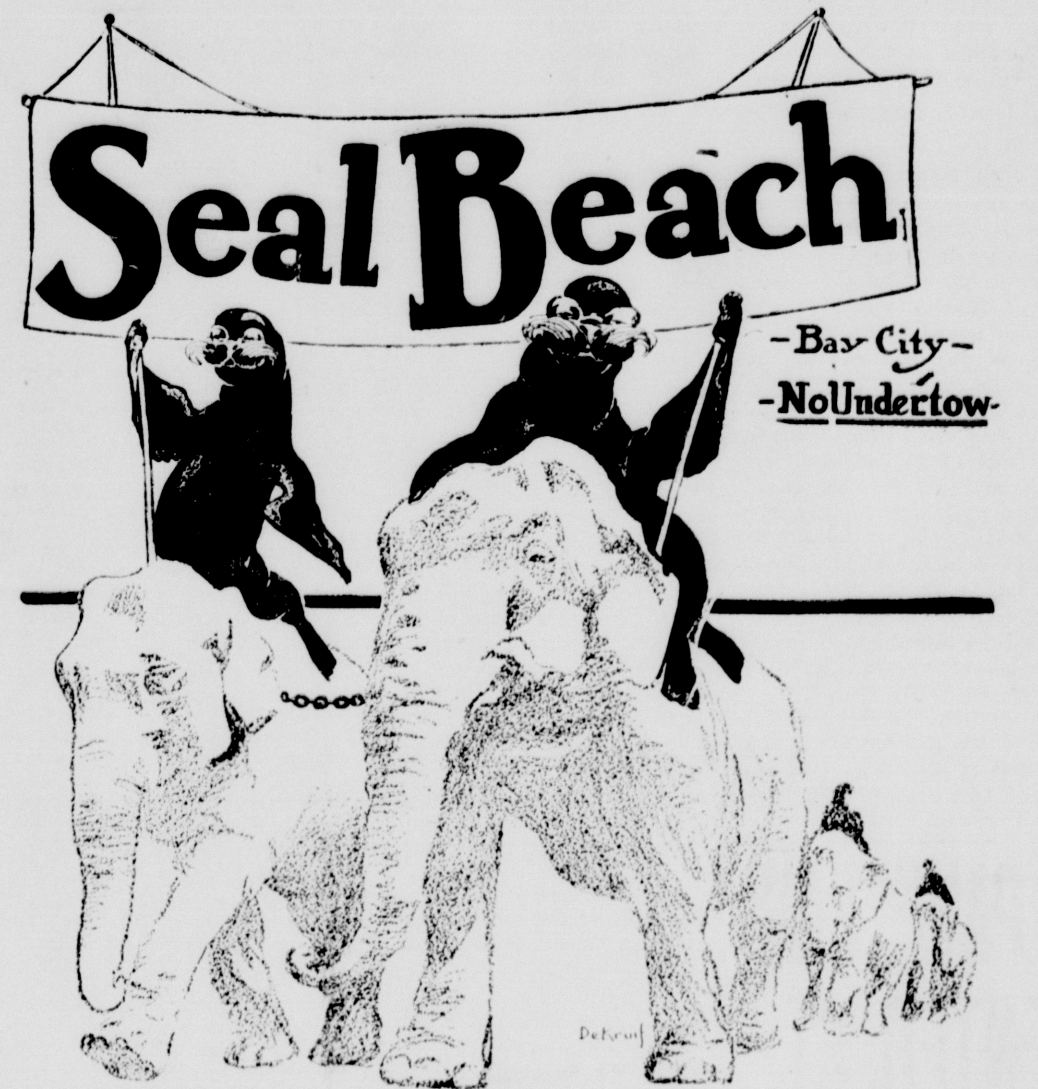

As the hour was getting late Pastor Thomas closed the meeting with a few timely words, in which he reminded us that essential needs in the Christian life are expressed in the three words, Relaxation, Reflection, Receptivity.

The evening meeting was equally good, as you may know when we tell you that Rev. Waddell was again a speaker, followed by Rev. Arthur Pink of Garden Grove, who gave a fine address with "The Living Word" as his theme, a subject truly fitting for his last discourse to us before leaving for England, where he is to reside.

## GAS COMPANY TO BEGIN LAYING MAIN NEXT WEEK

\$15,000 to Be Expended—Prosperity of  
Anaheim Boomed by Expenditure  
of \$3000 in Labor

(FROM THE ANAHEIM DAILY HERALD)  
S. W. Todd, district manager of the Southern Counties Gas Company, stated Wednesday that his company expected to start construction work next week on laying the six-inch main from the oil fields to the company's main at Fullerton. The work will require about 20 or 35 men, and the labor expense will be in the neighborhood of \$2500 to \$3000, or over \$800 a week payroll. Mr. Todd said that the company expected to have the line in by January 1.  
The total expense of laying this connecting line will be approximately \$15,000. Most of this amount, however, will be spent for the six-inch main. The pipe will be laid at a depth of from 18 to 36 inches. The exact distance is not known just at present, but is about four miles, when the main is completed the natural gas will be turned into the mains and distributing system already in use in the Anaheim, Fullerton and Placentia district. It is planned to have the natural gas for use in Anaheim as well as the other places and the 75-cent rate will probably take effect then or soon after.

## TWO SECTIONS NEAR ORANGE

Laying Concrete at Rate of  
600 Feet Daily on Orange-  
Olive Road

Orange News: Two sections of county highway in the vicinity of Orange are being rapidly built, so that within a short time paved roads will extend in two directions from this city.  
The concrete base of the Orange-Tustin road is about one-half laid and is progressing rapidly from the Tustin end, so that in a few weeks work will be under way on East Chapman avenue. The haul on material from the county gravel plant is shortened as the road extends to the north so that greater progress is possible.  
The Orange-Olive road is also advancing rapidly toward the completion of the concrete base, which is being laid at the rate of about 600 feet per day. Beginning at the Orange city limits on North Glassell the base has been laid about one-half mile. Twenty-six teams are required to supply gravel to the job, delivering about 260 tons daily from the county plant at the east end of Walnut avenue. E. G. Stinson of Orange has the hauling contract.  
One stretch of the new county highway system has been practically completed. That is the Orangetheropie avenue section, four miles long, running east and west between the county line and the Anaheim-Fullerton road. The surface coat has been applied, but it is probable that another coat will be put on in the spring after the first has been thoroughly worked down.  
A section of the Huntington Beach and Santa Ana road is also nearly 1/2 miles long.

## FEW ORANGES TO THE HOLIDAY MARKET

Would Hurt Reputation of  
Local Fruit to Ship Im-  
mature Product

## HUFF POINTS OUT CITRUS SITUATION

Northern California and Florida  
Shipments Are Unusually  
Heavy

Comparatively speaking, there will be but few oranges shipped from Orange county for the holiday trade. The fruit exchanges and associations, representing co-operative marketing, do not believe it advisable for shipments to be made by the associations, and outside of small shipments by the Hews Association and the McPherson-Highland Association it is not expected that any of the associations affiliated with the Orange County Fruit Exchange will send any fruit into the holiday market.  
"The reason for this," said D. E. Huffman, secretary and manager of the Orange County Fruit Exchange, "is that conditions are such that we believe it would be a mistake. Northern California has a big crop this year. It is twice what it was two years ago and three times what it was last year, and the quality is excellent. That fruit is well colored, and is moving to market fast. Florida has shipped 6000 carloads, twice what it shipped for the holiday trade last year."  
"We do not think it advisable to send lightly colored fruit from this section to compete with the well colored fruit of other sections. We have an excellent reputation among buyers in the East, and it would not be well to injure that reputation by shipping immature fruit."  
It seems to be the desire of the exchanges to let the northern fruit get out of the way as much as possible, which will leave better conditions for the southern crop when that crop is in its maturity.  
The exchanges control about sixty per cent of the California crop, and the method of marketing has been worked out to a fine point.  
Some of the independent shippers of this section are packing a few cars for the holiday trade.

## ANOTHER NEW BUILDING FOR ANAHEIM AT ONCE

Ingram Brothers to Erect a Beautiful  
\$5000 Garage on Their Property on  
North Los Angeles Street

(FROM THE ANAHEIM DAILY HERALD)  
Anaheim is to have another fine new building at once. It is to be a new garage for the Ford automobile agency, and the garage, which is to be modern in every way, will cost when complete in the neighborhood of \$5000. The building is to be put up by the Ingram Brothers on their property on North Los Angeles street at the corner of Cypress. The property is owned by them and the erection of the building will be superintended by the father, G. D. Ingram.  
Ever since the Ingram Brothers have been in business in Anaheim their sales have been large and their business has steadily increased until now they find their present quarters entirely inadequate. The new garage will be just across the street from the building they now occupy. It will be 60x114 feet, and will have a show-room 30x60 feet. The show room will extend the entire front of the building facing on Los Angeles street. The front will be constructed of concrete and large plate-glass windows will make this garage one of the finest in the county. A ladies' waiting room will be one of the features which will be greatly appreciated.  
Construction work on the new building has already begun. Teams have been hauling gravel to be used in the concrete front, and it will be rushed to completion. It is thought that the building will be ready for occupancy by the first of the year. The old quarters will be leased.

## BIRCH PARK IS IN EXCELLENT CONDITION ORANGE SEASON WILL SOON OPEN

Five Women, Commissioners,  
Hold Consultations Twice  
a Month  
Prosperity of This Section Assured—Resources Many  
and Varied

(From the Anaheim Daily Herald)  
Although there will be a slackening of employment here, now that the sugar factory has closed for the season, the opening of the orange season in two or three weeks will mean that considerable money will be kept in circulation.  
G. W. Sandilands, superintendent of the Anaheim Fruit Growers' Association, said that he thought the opening of the actual orange season would begin soon after the first of the year, but that it was possible that his association would ship about ten cars between the 6th and 10th of December. He said that none of the holiday fruit would be shipped after that date, but that the main season would begin shortly after.  
It is practically impossible for the growers down here to compete with the navel oranges shipped from the Tulare and Porterville country for the holiday trade, as the navels ripen earlier in that section.  
When the regular orange season begins there will be considerable money put into circulation. From the packing house of the Anaheim Fruit Growers' Association alone, the average weekly payroll is \$500. The Anaheim Mutual Orange Growers' Association could not be reached but its payroll will be pretty close to this figure.  
Anaheim has many resources, and at present business was never better. The residences are all occupied and it is difficult to find any vacant house to rent.  
The style, fit and elegance of our ladies' suits cannot be excelled. E. Blumfield, 113 E. Fifth Street.

A CONSUMPTIVE COUGH  
A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery stops the cough, loosens the chest, banishes fever and let you sleep peacefully. The first dose checks the symptoms and gives prompt relief. Mrs. A. E. Merz, of Glen Ellyn, Iowa, writes: "Dr. King's New Discovery cured a stubborn cough after six weeks' doctoring failed to help." Try it, as it will do the same for you. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c and \$1.00. All druggists, by mail, H. E. Bucklen & Co., Philadelphia or St. Louis.—Advertisement.

## Trial Offer "VANCO" MOP WRINGER

We want every housewife in this community to know what a hard-work saver the "VANCO" MOP WRINGER is, and now offer you a two weeks' free trial.  
You would not think of wringing out your washing by hand. Why waste your strength and disfigure your hands wringing a heavy dirty mop?  
Its Advantages  
You don't touch the mop with your hands. Enables you to use boiling water and any of the injurious dirt cleansers. Does away with back-breaking, hand-wrenching drudgery. Your dress is always dry and clean. Wrings the mop dry with the least effort. Fits any pail. Will not tip over. Has no gears or rollers to get out of order. Is all metal, galvanized after assembling. Will not rust or break. Will wear a lifetime.

## W. C. T. U. HOUSEWARMING

Pleasant Event at Home of  
Clive Owen Tuesday Night  
Enjoyed by Many

The housewarming given at the home of Mr. and Mrs. Clive Owens on East Santa Ana street Tuesday evening proved to be one of the interesting social affairs of the week.

Seventy-five members of the local W. C. T. U. gathered at the new home of their president, Mrs. Owen. The host and hostess both being among the most successful entertainers of the city, the guests upon entering the home at once felt its atmosphere of hospitality.

A short program was enjoyed, those contributing being Lorent and Theodore Owen, who gave a piano duet; Violet Gervais a reading, and the Rev. Moore a humorous selection. Rev. Moore responded to a hearty encore. Musical selections by Mr. Owen added to the evening's pleasure.

As an appreciation for the kind service Mrs. Owen has rendered others since coming to Anaheim, the members of the W. C. T. U. presented her with a dainty tea set, the presentation speech being made by Mrs. F. T. Edmiston, and not until she was closing her remarks did Mrs.

Mrs. Sickly — "Oh, dear Anty Drudge, don't think I'm lazy, neglecting my wash this way, but I sprained my back lifting the washbowl this morning and I can't move for the pain."

Anty Drudge — "I don't think you're lazy. I think you're plain foolish. The idea of boiling and hard-rubbing clothes when you can use Fels-Naptha Soap and have an easy day."

Throw away your wash boiler and try Anty Drudge's way. Soap your clothes well with Fels-Naptha and put them in cool or lukewarm water for about thirty minutes while you do something else.

Come back, rub them lightly, rinse and hang them out. Then go and sit down for a few minutes before you have to get dinner, and think how easy your washing was today.

Owen realize just what was in store for her.

This feature was a complete surprise to the hostess, but as she is always equal to every occasion, an appropriate response was forthcoming. She welcomed her many friends to her home at any time, stating that this was one of her pleasures.

Sandwiches, coffee and cake were served, and at a late hour the guests departed for their homes.

WHY GRAND DUKE'S  
YOUNG WIFE QUIT

Was Compelled to 'Play Horse'  
—Pose as Statue to Suit  
Whims of Aged Spouse

BERLIN, Nov. 26.—Because she objected to being compelled to "play horse," disliked being turned into a "statue" or playing "Little Bo-Peep" to suit the whims and fancies of her aged husband, and among the reasons why the Grand Duchess Antonia left Grand Duke Ludwig of Bavaria. As a result of the divorce recently granted to return to him, disclosures are printed of some of his "peculiarities." The Duke is 75 and married a 21-year-old actress and dancer. Two years ago his wife left him.

The Grand Duke, it is stated, was fond of making his wife "play horse" in the palace grounds. He compelled her to put on a tight-fitting, single piece, compelled his wife to walk over it barefooted. Next he forced her to play Bo-Peep, and he considered it capital fun to drive a herd of sheep and a flock of geese through her bedroom to awaken her in the morning. That was a little more than too much and the wife fled the palace.

## LEMON GROWERS INSTALL FROST-FIGHTING APPARATUS

J. B. Hickey and Herbert Walker Put in Latest Equipment to Protect the Lemon Orchards from Frost

Notwithstanding the fact that the crop was damaged last winter to some extent, some interesting facts were learned.  
Mr. Hickey stated that he is well prepared to protect his lemons from the frost that is likely to come at any time now. He and one of his neighbors, Herbert Walker, who also owns a lemon grove, have erected a storage tank at the rear of their orchards for the purpose of keeping a large quantity of distillate on hand. This large tank's capacity is 25,400 gallons or four carloads. The price paid for this liquid fuel is 77 1/2 by the carload.  
Mr. Hickey is today busy hauling his large order of smudge pots from the depot to his ranch. This order consists of 1190 pots, the cost of

which is 72 cents per pot, with no discount for an order of 1000. These pots are manufactured at Riverside by the Riverside Steel and Metal Company, and this company cannot begin to supply the demand for its product. Orders are being turned down daily, and in a single day an order for 11,000 pots was refused.

These smudge pots have a double covering and a short pipe extending from the top. They are manufactured from 26-gage sheet iron, their capacity being seven gallons. When necessary to light them a gasoline torch is used for the purpose, a person being able to light them almost as rapidly as he is able to walk down the rows of trees. One pot is to be used for each tree and there are about 80 trees to the acre. The expense to the citrus grower will aggregate a larger sum than heretofore expended, but it will pay in the end, for often a citrus grower realizes from one picking over a thousand dollars from eight acres.

Mr. Hickey said that he placed his order for smudge pots last September and had been unable to secure them until now. A carload of 4000 pots was unloaded at Orange depot the first of the week.
